## **The Gateways "make-up" Workshop**

For participants who have not previously attended Dunamis I, "Gateways to Empowered Ministry" will be offered in an abbreviated form as a make-up during each of the subsequent conferences in the series. ## What is the Dunamis Project?

Dunamis is the Greek term for "power". The Dunamis Project is a series of six retreats designed to equip clergy and laity in the gifts and power of the Holy Spirit.

The teaching has been forged from the Scriptures, is applicable in a Presbyterian and Reformed context, has been proven in ministry, and is informed by 200 years of renewal and revival movements. The workshop environment embraces prayer, trust, mutual accountability and a full expression of the spiritual gifts for the advancement of the Kingdom of God.

### Retreat Cost

The registration fee only covers accommodation and meals (or meals only). Please note that separate offerings will be received to cover Dunamis Fellowship Canada's (DFC) administrative costs, expenses for the speakers and leadership team, and to help extend the mission and vision of DFC to others. DFC is a registered charity and a tax receipt will be issued for donations.

### Dunamis Project Manual

The manual accompanying each retreat includes outlines of the teaching sessions and will be a useful resource in equipping others for ministry in congregations.
