Dunamis Fellowship Canada

A Regional Expression of Presbyterian-Reformed Ministries International

Exalting Jesus Christ! Igniting the Church in the power of the Holy Spirit

under the authority of the Holy Bible as the Word of God

through Prayer, Leadership Development, Growing the Church and Mission Outreach

so that the Church will be empowered to do all that Christ commands to the glory of God the Father

The Holy Spirit showed up at Gateways to Empowered Ministry in Guelph...

And he brought along lots of his fruit and gifts. Love, peace and joy were evident as he developed koinonia among us. Solid teaching by our all-Canadian team led to open and honest questions and conversations. Powerful stories of God's call and engagement in the lives of those present encouraged us, built faith and grew a hunger to go deeper with God. As we prayed people were empowered to be witnesses to Jesus Christ and advance His Kingdom.

God drew a delightful group of people from as far away as B.C. - people ready to engage heart, soul and mind at the Dunamis Project. One participant, originally from Rwanda, added a lively beat as she taught us African praise and touched our hearts as she shared powerful stories of the Holy Spirit's protection and mercy during the civil war in Rwanda.

This was the first of six Dunamis Projects. Plan to attend the next, In the Spirit's Power, April 3-6, 2013, also held at the Guelph Bible Conference Centre. A condensed version of the Gateways teaching will be provided for those

who have not yet been able to attend a Gateways Dunamis Project.

Dunamis Fellowship Canada in Western Canada Seeking to Grow in Effectiveness

It is Dunamis Fellowship Canada passion to see congregations on fire with faith in Jesus Christ, growing in dynamic loving fellowship, and empowered with the Holy Spirit for outreach and missions in Western Canada.

After various Ignite conferences in Alberta and British Columbia, along with the Eldership Unleashed Conference in Grande Prairie, a small group of people have been meeting from time to time to pray for discernment as to where God is leading us. They are receiving guidance to move forward with a Dunamis Project and Growing the Church Conference in western Canada.

Please pray with us as we continue to seek God for His timing, for open doors in our church communities, for leadership teams to provide the teaching, and financial provision to assist with costs associated in providing the conference and project.

Watch for more exciting information about the "Growing the Church Conference" coming soon for pastors, church leaders and all who love the church!

Dunamis Around the World... Focus on Indonesia

God is moving in remarkable ways in locations all over the world. Hundreds of pastors in Indonesia have been equipped with Dunamis teaching. Presbyterian Pastor Frank Drake taught at a seminary in Indonesia years ago. His former seminary students are now leaders in the denomination and invited him back to teach Dunamis and equip hundreds of pastors in the Reformed churches so they can minister in the power of the Holy Spirit. The following excerpt is from

a letter sent to his intercessors (printed with his permission).

Dear Intercessors,

I have to admit that I was surprised, though I shouldn't have been. Following our third day of the equipping seminar for mostly elders, deacons, and prayer team members, plus a few pastors and others, we had a time of prayer for the infilling of the Holy Spirit and the outpouring of manifestational gifts (and other gifts as the Spirit saw fit). I was unprepared for the amazing outpouring that we saw. Although I didn't do any of the praying, I was privy to some of what the 8 prayer teams experienced as they prayed.

One team reported that a woman they ministered to had visions of the Lord, received gifts for ministry, and was so overcome by the majesty and beauty of it all, she couldn't return to her seat right away after the ministry concluded. She sat and tried to process everything she had experienced. Several of the folks rested in the Spirit and experienced other manifestations such as shaking. Many received manifestational gifts of the Spirit. Through the three days of the seminar, we actually fairly closely approximated a Dunamis setting in a local church, where people would go home for the night and come back the next day for the continuation of the seminar. I had not expected such a marvelous outpouring of the Spirit. But God is doing something special with the church leaders in this area. There is an expectation and a hunger and thirst for the Lord and for the Spirit that drives people to miss work, drive long distances, and give up other responsibilities in order to come and hear about the ministry of the Spirit and receive His presence and power in their lives.
