Winnipeg Dunamis Track

Dunamis I November 2-6, 2020

GATEWAYS TO EMPOWERED MINISTRY

Gateways is the foundational teaching for understanding the work of the Spirit in our lives and lays the groundwork for the events that follow. This first retreat in the Dunamis Track focuses on worldview, spiritual reality and the nature and work of the Holy Spirit from a biblical perspective. The nature of the Spirit's power is explored and participants are invited to pray for the infilling of the Spirit.

Dunamis II Spring 2021

IN THE SPIRIT'S POWER

Explores cooperating with the Holy Spirit, cultivating listening and discernment skills, plus spiritual gifts and manifestations of the Holy Spirit.

Dunamis III Fall 2021

THE POWER OF PRAYER

Emphasizes growing in intimacy with Jesus Christ through prayer. Topics include learning to listen to God, intercessory prayer and revival, and praying with vision and power.

Dunamis IV Spring 2022

THE HEALING MINISTRY OF JESUS

Examines Jesus' earthly ministry as our model in praying for spiritual, inner, relational and physical healing. Theory and practical application help make this dimension of ministry a reality.

Dunamis V Fall 2022

EQUIPPING FOR SPIRITUAL WARFARE

Addresses the reality of the demonic realm, personal deliverance ministry, the discernment process, high-level spiritual warfare and kingdom advancement.

Dunamis VI Spring 2023

LISTENING EVANGELISM

Intentionally connects the power and gifts of the Holy Spirit to the work of evangelism and mission outreach.

A DUNAMIS EVENT IS MORE THAN a conference or course which teaches from a biblical, theological, evangelical, or social justice perspective. While drawing from these important perspectives, Dunamis adds three components which distinguish it from the usual study-leave or conference experience.

1. LAB TIME: The schedule allows for specific times to practice what has just been taught through the speaker. Lab time invites the Holy Spirit to work through participants in practical ways. Praying for one another in the power of the Spirit releases a sense of the presence of God and builds the body of Christ. The Holy Spirit apportions the gifts to build up the body of Christ as the full range of gifts begins to flow through the participants. Dunamis participants get a taste of what the church might become in welcoming these gifts.

2. DEBRIEF: At the end of the day participants prayerfully pause to ask the Holy Spirit how well we listened and followed during the day. Many report that this is a crucial time of learning to trust the presence of the Holy Spirit, since they find out whether they were getting the same nudges as others.

3. TRACK: Over a three year period on a spring/fall schedule the six courses of the track build up the skills and confidence of participants. They have a chance to incorporate the learning and prayers of each course into their Christian life at home, church and work, before taking the next course. Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as a make-up course during the track.

DUNAMIS PROJECTS have been running throughout the world since 1991 to exalt Jesus Christ and to equip His people.
